Look, Smell, Sniff, Press

Write an observation sentence about your favorite petal, leaf, plant, or the specimen pressing you made.

Try to use the plant name.

How does it look, feel, smell, or make you feel?

splotchy? weird?

out of control?

colorful like the sky

How does it look, feel, smell, or make you feel?

It makes me feel like the daisies in the
wind. It makes me feel happy to. It makes
me feel very comfortable and it's very moist to its
texture and its smooth to. It looks like Spring.
